

February Menu Chat

Have you met Ace? Ace (the fox) and his group of friends are our role-models for choosing healthy foods, participating in exercise, getting enough sleep, and much more! They remind us to drink water, try new foods, and eat fruits & vegetables. Ace and his friends also care about more than just our physical health by encouraging us to be thankful and take time to relax and refresh! Look for the Ace banner and signs in your lunch room.
