

# A Walk Through the Menu

We know that all kids are different. And because all kids are different, they have different preferences when it comes to food. Here at Aramark in D203 we know that, and that is why we have created a menu where every student can find something they will love! Take a walk through our menu below.

**Lunch A: The Entrée of the Day**  
**Perfect for the student who loves variety! A mix of popular entrées and new foods to try!**

**Lunch B: The Fan Favorites**  
**Perfect for the Picky Eater!**

**We always have their favorites!**

**Lunch C: The "Chill" Entrée**  
**Perfect for a Grab 'n Go lunch!**  
**Sandwiches, Salads and hands-on options every day!**

**Fun Lunch**  
**Perfect for "snackers" who like to eat wholesome snacks for lunch!**

With every entrée, students have an assortment of sides to choose from: chilled, fresh fruits and vegetables, a daily hot vegetable and low-fat milk. We offer vegetarian lunch options and our breads and breadings are whole-grain rich.
